INT. COFFEE SHOP - DAY

DAVID, 22, is at a table with his laptop. He's editing his resume. TRUDY, 51, is watching him with concentration. She picks up her latte, walks over, and sits at his table.

TRUDY
Excuse me, I saw that you have your resume open and I just couldn't help myself.

David removes an earbud.

DAVID
Sorry, are you talking to me?

TRUDY
Like I said (she's a bit "hot and bothered" now), I just couldn't control myself. It's just so nice to see a young man so focused on his professional development.

DAVID
(Caught off guard)
Oh wow. Well, thanks--I think.

Trudy lets her hair down and takes a swig of her latte

TRUDY
It's my pleasure honey. I'm guessing perhaps you're new at this. Don't be nervous.

DAVID
(Pauses) What?

TRUDY
Just let me take a look at what you have here.

Trudy slides David's laptop in her direction without his consent.

TRUDY (CONT'D)
Okay. All right, this looks very good. I think we can work with this, David *Peterson*.
